Shipping and order minimums

Prices exclude shipping. Florida singles: \$20 crypto. Where a US kit option is listed: \$20 crypto for up to 3 kits, \$25 crypto for 4+. Orders containing overseas kits: \$60 crypto, reduced to \$25 crypto above \$600 of qualifying overseas merchandise at crypto prices; free at \$1,500 or more at crypto prices. Supplies: \$20 crypto, waived with \$200 or more of total merchandise across all warehouses at crypto prices. Eligibility uses the underlying crypto-price merchandise amounts for every payment method. Final shipping depends on the cart and fulfillment options and is shown at checkout.

Kits have no minimum. Orders containing Florida singles need \$100 of Florida singles at crypto prices before promotions; kits do not count toward that minimum. Eligibility uses the underlying crypto-price singles amount for every payment method. Shipping is added at checkout.

US-FL singles ship from Florida in 24 hours; overseas kits in about 2-3 weeks. Certificates, where held, are available on the linked product pages and at bba peptides.com/coa. Prices may change; the website shows the current catalog.
